## Total Overdose Trainer 12

Unzip/unzip the trainer into the game folder, then run the trainer using "pztrain.exe" and finally run the game. During the game, switch the trainer options with ... (right mouse button) > "Setup" and follow the instructions on the screen. To be able to use some options, it is recommended to disable anti-cheat. To activate all the functions of the trainer, use the "Auto" mode! To get full access to the options menu, you should
